no change was reported.

James A. Pollock & Co., bankers and brokers, 6 West Second South street, received the following stock market let-ters from their New York correspondents over their private wire yesterday after-toon.

over their private wire yesterday afternoon.

Logan & Ryan say: "The market closed irregular, but the tone much improved. The early strength gave way to quite a little weakness, the entire list selling off under liquidating sales. In the last half hour, however, market railled sharply, the list, generally speaking, making some advance over yesterday's closing figures. We would not be surprised to see the advance carried further."

Dick Bros say: "The market continued reactionary this morning and some rather sharp declines were scored in leading stocks. In the afternoon, however, the pressure disappeared and there was a sudden change in the tone of the market, so that before the closing there was a sharp raily, which rushed the market up and closed many stocks with a net gain. There was not much news. Money continued casy. The market seemed to show that it had been improved by the reaction and tone at the close was quite strong."

BOSTON, May 15.—High prices, a small supply and a slight tendency toward activity are the features of the wool market. Much of the interest is still centered in the West, though it is mainly in the form of speculation as to what the growers will finally do in the matter of prices. The current prices are considered prohibitive. Pulled wools are quiet. In territories, clothing wools are all that are now available, and sales are of small volume. Foreign grades are firm. Scoured merinos sold 5 per cent higher than the opening rates, and Tasmania greases were in strong demand. Combings bought for American account at top rates, and also some New Zealand super greasy cross-breds. A large supply of cross-breds were readily absorbed, especially coarse greasies. The total number of bales sold today were 14,561 Kansas City.

## WEAK MEN

So-called "Weakness" in men is merely a symptom of chronic inflammation in the prostate gland, brought on by early dissipation or by the improper treatment of some contracted disease. A complete and radical cure is, therefore, a question of restoring the prostate gland to its normal state, and this we accomplish promptly and completely without the use of internal remedies. Our treatment is a local one entirely. It is original and scientific, and has been proved absolutely effective by thousands of tests. We are convinced that by no other methods can full and permanent restoration of strength and vigor be accomplished.

#### DR. COOK'S SCIENTIFIC, CERT AIN AND COMPLETE OURS FOR

Dark Circles under Eyes, Bashful, Melancholia, Youthful Pol-ly, Weak, Trembles, Varioccele, Excessive Drinking, Loss in Urine, Exposure, Overwork and Excessive Drinking, Loss in Urine, Exposure, Overwork and Worry, Exhausting Dreams,

An endless number of men have one or more of the above symptoms and drag from lay to day in despair of a prosperous, happy future, and wall they may, for if neglected their health is sure to be wrecked by a complete less of physical, mental and sexual power.

My method completely and permanently revives manhood after "cureall" remedies and "quickoure" specialists fail to even benefit. My scientific, systematic course of treatment for weak, nervous, brokendown youths and men, who have, through

folly, dissipation and excesses, unfitted themselves for work and the enjoyment of life, is a system that has been tested many times over and proven entirely satisfactory in every case. It is totally different from the many sickening pills and tablets, and the stimulating, stomach-ruining drugs given by would-be specialists. My specific treatment for all the symptoms indicating Failing Manhood is harmless, though so effective as to remove them immediately. It is constitutional; therefore, by purifying and enriching the blood, strengthening the nervous system, nourishing the tis-sues, the patient becomes strong and healthy with all signs of trouble forever gone. The treatment is to the human system what the sap is to the tree—it buds energy, ambition and confidence that leaf into a prime, healthy, vigerous feeling of new life.

I treat and cure all such pelvic diseases as PILES, FISTULA, RUPTURE, VARICOCELE, HYDROCELE, BLOOD POISON, SKIN DISEASES, SORES, ULCERS, NERVOUS DECLINE, and diseases of the KIDNEYS, BLADDER AND PROSTATE. My method of treating these diseases has proven so successful that I guarantee a permanent oute in every case accepted, and contract by a written instrument to produce parameters and satisfactory results or refund money. IMPORTANT-I will cuse you for less money than you can be treated for by any other specialist in Galt Lake. You may have to come to me

sooner of later in order to be properly cured; why not before you have lost your money in doctoring with cheap, unskilled specialists? OURE OR NO CHARGE—ABSOLUTELY NO CHARGE UNLESS BAT-

ISFACTION IS GIVEN. Every patient is given a written guarantee to refund every dollar paid for services if they do not receive a complete, lifelong ours and entire satisfaction, and I have made a deposit of \$500.00 in the bank to secure any contract that is not fulfilled.

CONSULTATION FREE, CONFIDENTIAL AND INVITED. A personal thorough and searching examination is required, though if inconvenient to call, write me a full description of year trouble. Office hours: \$ a. m. to \$ p. m., except Bundays, from \$ to 18:00. Address or call COOK MEDICAL CO. 116 S. Main
